The West Gate

Care Centre

The West Gate, formerly known as The Hockeredge, is a modern home providing restful nursing and residential care for those with dementia and mental health illness.

Our home offers a warm and caring environment, with a reputation for high standards of care, accommodation and catering of which we are justifiably proud.

The West Gate is conveniently located a five minute walk away from the small coastal town of Westgate-on-Sea and offers easy access to shops, cafes, cinema, library and churches, as well as the sea-front gardens, promenade walks and safe beaches of Margate.

Dining

We consider all mealtimes to be social occasions where people can enjoy nutritious home-cooked food in an environment suited to their needs.

The home uses fresh and local ingredients that are prepared and cooked by our experienced on-site chefs. There is always a selection of freshly baked cakes on offer throughout the day, along with healthy snacks.

We can cater for any dietary requirement and encourage friends and relatives to join us at mealtimes. We liaise with a dietitian on all special nutritional requirements.

Our menus change seasonally, and meals are regularly sampled by the management team to ensure that the food we provide is nutritional, well-presented and flavoursome.

Professional Care

Our approach to care changes along with the needs of each client, helping them to feel safe, secure and part of the community offered at The West Gate.

Activities

We co-ordinate a wide range of activities individual to each person, taking into account their life story, past hobbies, family and community relationships and recreational interests.

All people who are resident at The West Gate have safe access to our well-maintained enclosed private gardens. Residents who choose to smoke will be able to access our outside, designated smoking area, monitored by staff at all times.

Birthdays, anniversaries and special occasions are celebrated and we have regular themed days where our residents party and enjoy music, social interaction and good food.
